Dear Aiden

We congratulate you on your participation in the recent Simpson Desert Cycle Classic Race. Personally, we have difficulty contemplating completion of the Race Entry Form, let alone facing the sand dunes of the Simpson Desert Cycle Classic on a mountain bike!!

We would also like to pass on our personal thanks on behalf of the disabled persons who benefit from the activities of PBF. The Simpson Desert Cycle Classic sponsorship money which we receive is fully utilised to provide direct benefit by purchasing equipment and other necessary items for spinal injury patients throughout Australia.

To date, it looks as though the Classic will have raised \$35,000.00. An outstanding effort for which we sincerely thank you for your involvement. If you haven't yet forwarded the Sponsorship funds you obtained, would you please do so urgently, so that we can finalise the issue of receipts.

Once again many thanks.

Yours sincerely
