

Trekking the Camino de Santiago

SAMPLE 8 Day Walking Itinerary

Our Camino itinerary map highlights the trek, commencing in Madrid then to Ponferrada by bus with sightseeing along the way. The map above provides details on the approximate length of the walk each day as well as the locations where we will stay each night. Our walking trek is approximately 173km and concludes in Santiago de Compostella, before our traditional journey to Cape Finesterre and return to Santiago De Compostella. The greatest height along the track is at Alto do Doio, 1337m and the smallest height is at Amenal, 248m.
